Football Fan:

The following players comprise the card set representing the 1972 pro season for the APBA Pro League Football Game. The regulars at each position are listed first, and should be used most frequently.

Realistic use of the players below, along with reasonable offensive and defensive strategies, will provide you with statistical results remarkably similar to those from real life.

We will be glad to answer any questions you have about the playing techniques of APBA Football, but we can't furnish copies or interpretations of actual football rules.
