**How do I install the ballparks from the CDs or diskettes?**
Reply: If you are running Vista or Windows 7 then...

When this window comes up…

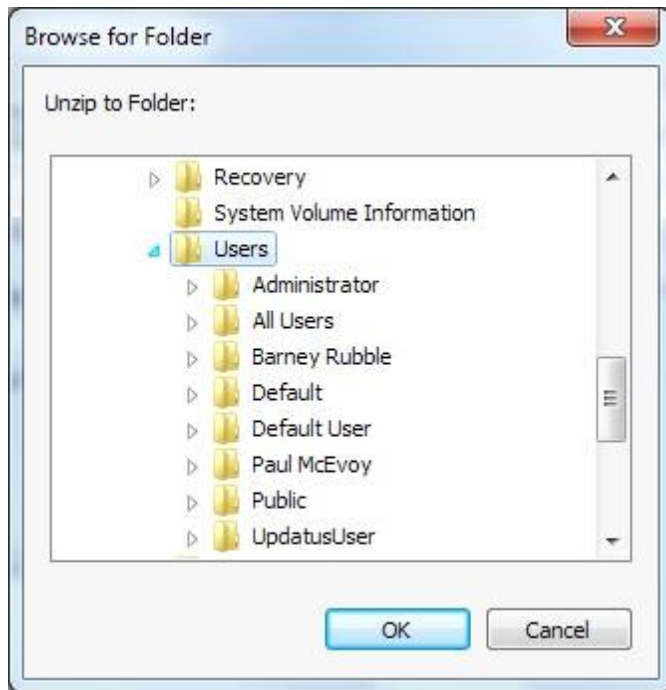

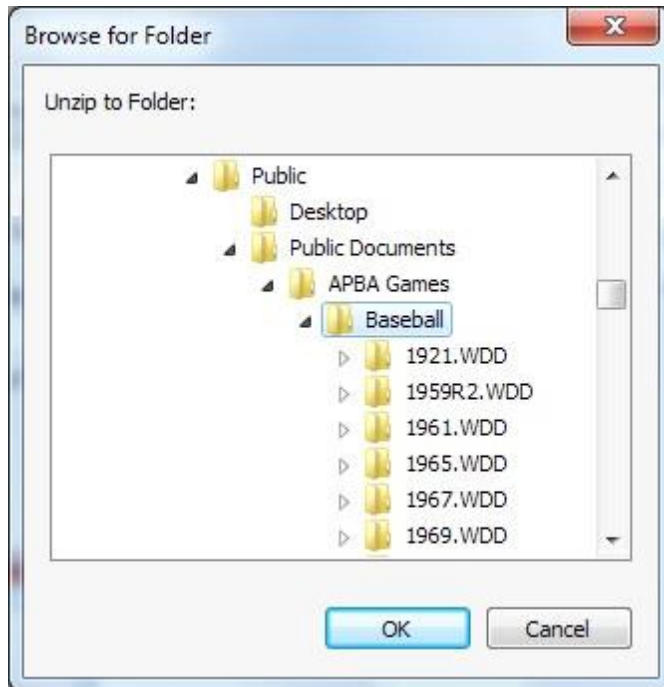

Click on the Browse button.
Then when this one comes up…

Click on the" >" arrow to the left of "Local Disk (C:)."
Then scroll down to "Users."

Then down to Public, Public Documents and then to APBA Games…

…then to Baseball….

…and then finally to Ballparks.

Then click "OK."
