

APBA GAMES 1974 Line-ups

The following players are contained in this APBA baseball card set representing the 1974 season. The error rating = E+1 for NL and E-0 for AL. The batting orders may be arranged in any number of sequences without affecting the individual performances of any of the players. These were the batting orders most frequently used that year:

*Used primarily or exclusively as a relief pitcher. Should be used seldomly or not at all as a starter. (Pitchers with asterisks following their grades on the player cards themselves should be used exclusively in relief, unless they have split ratings.) For most realistic results the frequency of use of starting pitchers should be determined by the order of their listings above, not by the grade ratings on their cards.

Los Angeles beat Pittsburgh 3 games to 1.

Oakland beat Baltimore 3 games to 1.

Oakland beats Los Angeles in five games to win third consecutive World Series.
