

2021 APBA COLLEGE FOOTBALL SEC CONFERENCE SET ROSTER

The following players comprise the 2021 College Football SEC Conference Card Set. The regular starters at each position are listed first and

Players in **bold** are starters.

should be used most frequently. Realistic use of the players below will generate statistical results remarkably similar to those from real life.

IMPORTANT: When a Red "K" appears in the R-column as the result on any kind of running play from scrimmage or on any return, roll the dice again, refer to the K-column, and use the number there for the result. When a player has a "K" in his R-column, he can never be used for kicking or punting.

If there is a difference between the player's card and the roster sheet, always use the card information.

The number in (j)s after the player name is the number of cards that the player has in this set.

See below for a more detailed explanation of new symbols on the cards.

If the symbol "F-K" or "F-P" appears on a players card, it means that you use the K or P column when he recovers a fumble.

The issue is the "Jet Sweep" (slot receiver goes in motion and receives handoff from quarterback), this play is not a trick play but a designed outside run. If a WR had 10 or more runs in a season, he will be graded (EB/HB). APBA considers the "Jet Sweep" (receiver in motion receiving handoff from quarterback) to be graded an outside run and not a trick play. To accomplish this play, certain receivers will receive the (EB/HB)

New symbols: FR-0. Fumble recovery at spot of fumble.
W-X (0) Interception with no return
TC-0 Punt return with no return.
TC-FC Punt return only a fair catch.
KC-0 Kick return with no return.
OSKR-0 Onside kick recovered no advancement.

Starting with the 2018 season, the team receiving a kickoff has an option to fair catch any kick instead of the receiving team's 25 yard line. If the fair catch option is chosen, the receiving team gets the ball at the 25 yard line. To exercise this option, all the receiving team coach has to do is announce fair catch after the determination of where the kick off was fielded.
