

Jockeys For 1971 Racing Year

The following named jockeys are used with the APBA American Saddle Race Game. Each jockey is assigned a rating from 0 to 10. The rating figure follows each jockey's name and is written in smaller type in the 1971 racing season issue of horses' cards — the 1973 edition of the game.

After the jockey's name are spaces to summarize the number of horses ridden and their finishing records. — 1st, 2nd, 3rd and out of the money. Additional copies of this jockey list are available at 35 cents each, post-paid. To Penna. residents, 38 cents; all foreign, 50 cents. Order #121.
