Players in red are Hall of Famers.
 MVP is the most valuable player.
 CY is the Cy Young award for the best pitcher.
 ROY is the Rookie of the Year award to the best rookie.

*Used primarily or exclusively as a relief pitcher. Should be used seldomly or not at all as a starter. (Pitchers with asterisks following their grades on the player cards themselves should be used exclusively in relief, unless they have split ratings.) For most realistic results the frequency of use of starting pitchers should be determined by the order of their listings above, not by the grade ratings on their cards. Error Rating = E-0
