APBA'S PITCHERS WILL DELIGHT AND AMAZE YOU AS YOU FIND YOUR OWN LOW EARNED-RUN HURLERS TO BE THE SAME NAMES AS THE REAL-LIFE ONES.

Don't delay. Get your own Killebrew player card now. Just fill out and mail the coupon below.

Yes, APBA Baseball actually lets you manage the individual players on all of the major league teams! And they perform — all of them, not just the stars — just as in real-life.

See Pete Rose take your own National League batting title! Watch Tommy Harper lead your American League in stolen bases! Be right on top of it as Frank Howard and Reggie Jackson try to push Killebrew out of the homerun leadership.

Imagine the thrill you'll get playing the role of manager with all the major league players! You'll make the batting orders, call the sacrifice and squeeze play, give the hit-and-run signs, coach your base runners, select pinch hitters. On the defense you insert your better fielders after you have a safe lead, call the intentional walks and bring in your relief pitchers.
