

APBA BASEBALL FAN:

Now you can order the 1984 edition player cards for the APBA Major League Baseball Game. These cards are based on the 1983 big league season.

NEW EDITION (520 CARDS): \$15.00 ——— XB83 (156 EXTRA CARDS): \$5.00

The new 1984 edition consists of 520 player cards (20 for each of the 26 big league teams) and costs \$15.00. Pennsylvania residents must add 6% sales tax, for a total of \$15.90. Additional processing time and increased mailing expenses require that we charge \$16.50 for mailing outside the U.S. All above prices are complete———we add nothing for postage or handling.

Set XB83 provides 6 more 1984 edition player cards for every team, a total of 156 in all. Its price is \$5.00 (\$5.30 in Penna., \$5.50 foreign).

See the enclosed yellow "lineup sheet" and the small white "additional player" sheet for rosters of the players in the regular and XB sets. Please keep these sheets for future reference, because you won't get another copy of either one with your cards.

Both regular and XB cards are printed and assembled in complete sets, and that's how they're sold. We can't break sets to sell single teams or even one league.

COMPLETE BASEBALL GAME (INCLUDING NEW CARDS) ——— \$24.95

GET A FREE "GREAT TEAM OF THE PAST" WITH YOUR GAME!

The price of a complete new APBA Major League Baseball Game, including the 1984 edition card set (but not XB83), is \$24.95 (\$26.45 in Penna., \$27.50 foreign). THIS IS THE BASIC GAME, NOT THE MASTER GAME. If you buy a complete basic baseball game during the year 1984, you may select any one of the following five teams at no extra cost: Cincinnati Reds of 1919, Pittsburgh Pirates of 1927, New York Giants of 1933, Detroit Tigers of 1934 or Chicago Cubs of 1935. Circle the team you want on the coupon below when you order——IF YOU DON'T, YOU WON'T GET ONE. We will not send the team separately at a later date. The offer applies only to the purchase of a complete APBA Major League Baseball Game, and it expires December 31, 1984.

FOR INFORMATION ON THE MASTER GAME AND SYMBOLS FOR IT, SEE THE REVERSE SIDE OF THIS FLYER.

IMPORTANT: SALES & DELIVERY POLICIES———PLEASE READ CAREFULLY

Our policy is to keep prices of all our products as low as as our costs allow. For this reason, we accept no credit cards and do no C.O.D. mailing. We make no refunds or exchanges, and we don't cancel or revise orders. SO PLEASE BE SURE YOU WANT WHAT YOU ORDER.

IF WE RECEIVE YOUR ORDER IN JANUARY, YOU'LL HAVE IT BY APRIL 30. This doesn't necessarily mean you won't get your order until April 30 (chances are you'll get it earlier, perhaps as soon as February), BUT IT DOES MEAN WE CAN'T GUARANTEE DELIVERY BEFORE THEN. And it is impossible for us to respond to inquiries (letter or telephone) about orders until May 15, the date we generally have our files in order again.

We regret we can't give special attention to those with birthdays or vacations in February and March, but it is a fact that to expedite an order for one person would force us to delay an order for another. Please don't ask for special attention to your order because, in fairness to everyone, we simply can't provide it.

We begin to fill orders immediately upon receipt of the new cards from our printer in mid-February. We work substantial overtime to get every order to the customer as quickly as we possibly can. We ask for your patience and your understanding of our clerical difficulties during our busiest time of the year.

APBA BASEBALL MASTER GAME FAN:

The 1984 edition (1983 season) symbols for the APBA Major League Baseball Master Game can be ordered now for \$3.00 (\$3.18 in Penna., \$3.30 foreign). These symbols are designed to be used with the new 1984 edition card set advertised on the reverse side of this flyer.

Symbols for Other Seasons & Original Franchise All-Stars, Too

Also on sale at the same prices are symbols for the new 1950 and 1901 seasons' card sets, as well as for the following other card sets: 1982, 1981, 1980, 1979, 1978, 1977, 1976, 1974, 1973, 1972, 1949, 1948, 1941, 1938, 1934, 1932, 1930, 1927, 1924, 1922, 1919, 1916, 1913, 1908 seasons, and the Original Franchise All-Stars.

Each of these sets includes symbols for every player in the card set for the baseball season represented, including XB players where applicable (except 1949, 1941 and 1930, which do not include XB's).

You can get master symbols for the XB30, XB41 and XB49 additional player sets for 75 cents each (plus 6% in Penna., plus 10% foreign). There are symbols for all 96 players in each set. Please keep in mind our \$3.00 minimum order requirement.

NOTE: On the order coupon on the reverse side of this page, all symbols are identified by SEASON, not by APBA edition year! And any of the symbols mentioned above are virtually useless unless you already have the APBA cards to which they correspond. For example, the 1973 season symbols won't be much good to you without the 1973 season cards.

The Original Franchise All-Stars card set, World Series card set and all Great Teams of the Past are available from APBA, but cards for some of the seasons listed above ARE NOT. Available seasons are listed on the flyer advertising the 1901 season cards.

Injury factors are included with the symbols for all teams not originally issued with injury factors on their cards.

And Symbols for Great Teams of the Past & World Series Set

Symbols for every one of the 55 APBA Great Teams of the Past can be purchased for 50 cents per team. Pennsylvania buyers must add 6% sales tax for each team, and foreign purchasers must add 10%. There are symbols for all 20 players on each team.

All 240 players in the World Series card set are represented by master symbols as well. Symbols are included for all 20 players on each of the 12 World Series teams. The price for this set of symbols is \$2.00. (It's \$2.12 in Pennsylvania and \$2.20 foreign.)

If You're Not Familiar with the Master Game, Ask Us for a Free Description!

If you're a recent addition or a recent returnee to our mailing list, you may not know what the Baseball Master Game is. If that's the case, simply ask us for free literature on the Master Game.

The Master Game features playing boards far more numerous and far more complex than those in the basic game. **IT CONTAINS NO PLAYER CARDS EXCEPT THE 1951 GIANT AND DODGER TEAMS**, but it does include the 1984 edition (1983 season) symbols (which are used in conjunction with the new edition of cards when playing the Master Game). To play the 1984 edition Master Game, therefore, you need to purchase those cards as well. You must be thoroughly familiar with both the basic APBA Major League Baseball Game and the game of baseball itself before you can attempt to play the Master Game; be sure you are before you buy. We do not make exchanges or refunds.

The price of the Baseball Master Game is \$21.95 (\$23.27 in Pennsylvania, \$24.00 to foreign purchasers).

The price in Pennsylvania, including 6% sales tax, is \$9.54, and the price outside the U.S. is \$10.00.
