

# SAVE \$10.00 ON APBA BASEBALL PACKAGE! APBA Major League Baseball Game and APBA Major League Baseball Master Game BOTH FOR JUST \$39.45 UNTIL CHRISTMAS!

If you're one of the APBA Football, Basketball or Bowling owners who hasn't yet bought APBA Baseball, now is the time! Order before December 25, 1985, and you can get the APBA Major League Baseball Game (our basic version—list price: \$27.50) AND the APBA Major League Baseball Master Game (our advanced version—list price: \$21.95) for only \$39.45. You'll save a full \$10.00 when you order them together (and the special price applies *only* when you order them together). The price for Pennsylvania residents, including sales tax, is \$41.82, and the price for mailing to foreign countries is \$43.40. APO and FPO addressees pay the regular U.S. prices.

The 1985 edition APBA Major League Baseball Game includes 520 player cards—20 for each of the 26 big league teams from the 1984 season. The 1985 edition APBA Major League Baseball Master Game includes additional symbols to be used along with those same cards. It also boasts cards for the 1951 Giants and Dodgers, opponents in the most famous game in baseball history (decided by Bobby Thomson's homer). As you'll soon discover, the Master Game is the ultimate baseball-board game. It contains features, outcomes and managerial decisions found in no other game. In fact, you can't play the Master Game without a thorough understanding of both the APBA Major League Baseball Game (our basic game) and baseball itself.

This package would make a great gift for any knowledgeable baseball fan. For that matter, it would make a great gift to yourself!

## PICK ANOTHER SEASON INSTEAD OF 1984 IF YOU WISH

You may even select a substitute for the 1984 season cards and symbols, if there's a different season you prefer. (You'll automatically receive the 1984 season if you don't specify a substitute.) Seasons available for substitution are limited to the following:

1983	1976	1938	1922
1982	1953	1934	1919
1981	1950	1932	1916
1978	1941	1924	1913
			1908

Not all of the above seasons contain 26 teams, of course, but each one includes every club in both leagues during that year. Each season contains at least 20 player cards per team, and some contain more.
