APBA BASEBALL MASTER GAME — \$29.50

A complete APBA Baseball Master Game is priced at \$29.50 (\$31.27 Pa., \$32.45 foreign). We strongly suggest you do not buy it, though, until you are thoroughly familiar with the Basic Baseball Game and with baseball itself. The current Master Game includes symbols (but no cards) for the 1990 edition (1989 season). You must already own those cards in order to play. If you want to know more about the Master Game, just ask for a free brochure!

IMPORTANT: SALES & DELIVERY POLICIES — PLEASE READ CAREFULLY

Our policy is to keep prices of all our products as low as our costs allow. For this reason, we accept no credit cards and do no C.O.D. mailing. We make no refunds or exchanges, and we don't cancel or revise orders. SO PLEASE BE SURE YOU WANT WHAT YOU ORDER.

IF WE RECEIVE YOUR ORDER IN JANUARY, YOU'LL HAVE IT BY APRIL 15. This doesn't necessarily mean you won't get your order until April 15 (chances are you'll get it earlier, perhaps as soon as February), BUT IT DOES MEAN WE CAN'T GUARANTEE DELIVERY BEFORE THEN. And it is impossible for us to respond to inquiries (letter or telephone) about orders until April 30, when we will have our files in order again.

EXCEPTION: Orders including new computer merchandise may possibly take several weeks longer to process, since our past experience has been that software publishers take several weeks longer than board game suppliers to deliver new items to us. For what it's worth, though, American School Publishers has advised us that the 1989 data disk will be available much earlier than the new season's disk has been in past years. American School Publishers has replaced Random House as the game's publisher.

We regret we can't give special attention to any particular order, but it is a fact that to expedite an order for one person would force us to delay one for another. Please don't ask for special attention to your order because, in fairness to everyone, we simply can't provide it.

We begin to fill orders immediately upon receipt of the new cards from our printer in mid-February. We work substantial overtime to get every order to the customer as quickly as we possibly can. We ask for your patience and your understanding during our busiest time of the year. (After April 15, delivery may take a maximum of six weeks, but probably much less.)

Customers living in Pennsylvania must add 6% sales tax to all prices, and residents of all foreign countries must add 10%. (But APO or FPO addressees pay the regular U.S. prices.)

Several new items are announced in this mailing packet. Be sure to read all the enclosures! Note one change in policy: horse racing cards will no longer be issued on an annual basis, and no new set is available this year. See the reverse side of the enclosed lineup sheet for special prices on old baseball and racing card sets.

SPECIAL

**Buy one 5¼" data disk at regular price
Get another for just \$4.95 & save \$20.00!
And Save \$10.00 on the Original Franchise All-Stars Disk!**

Order any one of the \$24.95 data disks above, and you can have another listed at the same price for just \$4.95 more! You'll get two disks for only \$29.90, a saving of a full \$20.00!

This special applies only to the 5¼" disks listed at \$24.95. It includes all of them except the 1967, 1964, 1961 and 1953 IBM disks, which are not part of the special. None of the \$19.95 or \$39.95 disks are included.

There is no limit to the number of disks you may purchase, but you must order in multiples of two to receive the special price. Single disk orders will be for full price. You must order the two disks simultaneously for the special to apply. This special expires December 24, 1990.

The Original Franchise All-Stars disk, featuring the 25 best players in the history of each of the "original" 16 big league teams as selected by APBA in 1982, normally costs \$39.95. But it's on sale until December 24, 1990, at just \$29.95. You can save \$10.00 on an extremely popular disk. It's available only in IBM 5¼" format.

On all disk orders, special or otherwise, Pennsylvania residents must add 6% sales tax, and all foreign buyers must add 10%.

NOTE: All data disks are copy-protected. Backups in 5¼" format only for the following disks are available directly from APBA at \$4.95 each (\$5.25 Pa., \$5.45 foreign): 1980, 1977, 1967, 1964, 1961, 1957, 1953, 1950, 1948, 1941, 1934, 1930, 1927, 1924, 1919, 1908, Old Timers #2A & #4, Original Franchise All-Stars. Backups for other disks must be purchased from the publisher.

APBA BASEBALL INNOVATOR — 5¼" & 3½" IBM FORMATS CHANGE CARD NUMBERS, MASTER SYMBOLS & EVEN NAMES ON DATA DISKS!

APBA Baseball Innovator, developed by Richard Diaz and Miller Associates, displays APBA card numbers, Master Game symbols, fielding ratings, pitching grades and real-life statistics for any player on a data disk. More importantly, Innovator allows you to change them! This feature is especially appealing to fans who enjoy tinkering with APBA's assigned ratings and card numbers.

With Innovator, you can modify numbers, symbols, ratings, grades and characteristics (bats-throws). You can add positions to a player's computer "card." If you want, you can adjust his actual statistics.

YOU CAN ALSO CHANGE A PLAYER'S NAME! That means you can effectively make one player into another player. **YOU CAN EVEN CHANGE A PLAYER'S NAME TO YOURS!** You can actually be Wade Boggs, Fernando Valenzuela, Babe Ruth, Christy Mathewson or any other player on any data disk you own! All you need to do is change the appropriate player's name to yours, and his stats, ratings and "card" will belong to you.

For APBA leagues and for any APBA fan who likes to experiment, APBA Baseball Innovator is a very useful and powerful program. It's a whole lot of fun, too.

Innovator is in stock now! The price is only \$44.95 (\$47.65 Pa., \$49.45 foreign) for the IBM 5¼" version. It's \$49.95 (\$52.95 Pa., \$54.95 foreign) for the IBM 3½" version. The program is copy-protected. A backup disk is available directly from APBA for \$4.95 (\$5.25 Pa., \$5.45 foreign).

To run it, you need an IBM PC, PC/XT or PC AT or true compatible with a minimum of 256k RAM, at least one 5¼" or 3½" floppy disk drive, and a copy of DOS 2.0, 2.1, 3.0, 3.1, 3.2 or 3.3. You must also have a 25-row, 80-column IBM (or equivalent) color or monochrome monitor connected respectively to an IBM (or equivalent) color/graphics or monochrome adapter.

We do not guarantee the compatibility of any non-IBM machine. If you have any doubt about your particular computer, we suggest you test-run a friend's copy of Innovator before buying the program.
