

APBA GAMES 1901 Line-ups

The following players are contained in this APBA baseball card set representing the 1901 season. The batting orders may be arranged in any number of sequences without affecting the individual performances of any of the players.

These were the batting orders most frequently used that year:

NOTE: When playing this season card set with the Official Scorer's Rule System, use E+3 for the Error Rating

***Used primarily or exclusively as a relief pitcher. Should be used seldomly or not at all as a starter. (Pitchers with asterisks following their grades on the player cards themselves should be used exclusively in relief, unless they have split ratings.)** For most realistic results the frequency of use of starting pitchers should be determined by the order of their listings above, not by the grade ratings on their cards.
