

IMPORTANT — RULE CLARIFICATION: When the numbers 7, 8 and/or 11 are found in THE SECOND COLUMN of a player card, they are NOT SUBJECT TO NORMAL PITCHERS' GRADE CHANGES. For example, a SECOND-COLUMN 8 on the "BASES EMPTY" board is always a "SINGLE to left center," NO MATTER WHAT THE PITCHER'S GRADE IS.

The following players are contained in the APBA baseball card set representing the 1938 season. We will not reply to any correspondence which proposes to question our selection of the players which comprise the teams listed below. The batting orders may be arranged in any number of sequences without affecting the individual performances of any of the players. These were the batting orders most frequently used in 1938:
