*Used primarily or exclusively as a relief pitcher. Should seldom be used as a starter. (Pitchers with asterisks following their grades on the player cards themselves should be used exclusively in relief, unless they have separate starting and relieving grades.) For most realistic results the frequency of use of starting pitchers should be determined by the order of their listings above, not by the grade ratings on their cards.

Play result number 42 on any player card indicates a hit batter. Runners advance one base if forced.

An asterisk(*) following a play result number on the player card means the player steals the next base (if it's unoccupied) immediately after reaching base when that result number comes up.

IMPORTANT—RULE CLARIFICATION: When the numbers 7, 8 and/or 11 are found in THE SECOND COLUMN of a player card, they are NOT SUBJECT TO NORMAL PITCHERS' GRADE CHANGES. For example, a SECOND-COLUMN 8 on the "BASES EMPTY" board is always a "SINGLE to left center" NO MATTER WHAT THE PITCHER'S GRADE IS.
