## ADDITIONAL PLAYERS FOR 1949 SEASON

For those fans who would like to have more players than the 20 per team in the regular card set, we offer 96 additional cards—6 for each of the 16 major league teams.

These are printed on the same card stock and in the same colors as the regular cards but with 12 players to a sheet. The sheets are perforated—simply tear them apart and they are ready to use.

These additional cards, based on the player's 1949 records, can give you greater maneuverability of your team rosters without substantially altering the overall team strengths, provided they are used realistically.

The 96 players, contained on 8 separate sheets, are listed to the right. Order Set No. XB49
