

The following named players are contained in the 1971 edition of the APBA Major League Baseball Game. WE WILL NOT REPLY TO ANY CORRESPONDENCE WHICH PROPOSES TO QUESTION OUR SELECTION OF THE PLAYERS WHICH COMPRISE THE TEAMS AS LISTED BELOW. The batting orders may be arranged in any number of sequences without affecting individual performances of any of the players. These were the batting orders most frequently used in 1970:

*Used mostly or exclusively as a relief pitcher. Should be used seldom or not at all as a starter.

For most realistic results the frequency of use of starting pitchers should be determined by the order of their listings above, not by the grade ratings on their cards.
