

The following players make up the 1994 Season regular Card Set for the APBA Professional Baseball Game. These were the batting orders used most frequently in 1994:

IMPORTANT: A pitcher with a (ZZ) rating on his card is treated like a (Z) pitcher except with Bases Empty or Runners on First & Third. In those two situations only, the board number 14 result is changed to "Two Balls" with a (ZZ) pitcher. Two 14s will result in a base on balls for the batter.
