The players on each team are listed from top to bottom in the order of most minutes played during the season represented. For most realistic results the top two forwards, top two guards and center should be used most frequently. Each player should be used at the position or positions shown on his card. Players may be used at positions not listed on their cards only when substitutes for a certain position are no longer available because of injuries and/or disqualifications.

If any of the above listed cards are missing from your set, there should be duplicates of others. Please return the duplicates and give us the names of the cards that are missing. We shall send them to you at once. We would appreciate your returning any duplicates you may find even though no cards are missing. They will make it possible for us to complete some short sets for other customers.
