

Basketball Fan:

The following players comprise the card set for the twenty-three teams of the National Basketball Association represented in this 1984 edition of the APBA Pro Basketball Game. The cards are based on the NBA season of 1982-83 and will continue as the current set until July 1, 1984, when a new card set, based on the 1983-84 season, will be issued.

Please keep us advised of any change in your address if you want to be notified of the details for ordering the new cards at that time.

1982-83 season

NOTE: Any field goal from court sections E1, E2 or F is worth 3 points. NBA rule changes before the 1981-82 season eliminated bonus free throws (2 chances to make 1, 3 chances to make 2). Disregard references in APBA rules to bonus free throws when using the 1982-83 season cards.

The players on each team are listed from top to bottom in the order of minutes played during the season represented. For most realistic results the top two forwards, top two guards and top center should be used most frequently. Each player should be used at the position or positions shown on his card. Players may be used at positions not listed on their cards only when substitutes for a certain position are no longer available because of injuries and/or disqualifications.

If any of the above listed cards are missing from your set, there should be duplicates of others. Please return the duplicates and give us the names of the cards that are missing. We shall send them to you at once. We would appreciate your returning any duplicates you may find even though no cards are missing. They will make it possible for us to complete short sets for other customers.
