## 1985 Edition NFL Additional Cards

(1983 Season:

5/Team—140 Cards Total)

XF83 **\$5.00**

These cards are made for the expanded, updated APBA Pro League Football Game first released in July, 1983. They will not be nearly as accurate with playing boards from games purchased before then, and some new card notations will be meaningless without the newer game boards and instructions.

A free enclosure with these cards will clarify rules some fans have found confusing in the revised game, and will correct the few errors found on the boards and in the instructions.

Rosters for these sets are enclosed. Keep them: there won't be additional ones included with your cards. These cards are sold only in complete sets.

#### IMPORTANT: SALES & DELIVERY POLICIES—PLEASE READ CAREFULLY

Our policy is to keep prices of all our products as low as our costs allow. For this reason, we accept no credit cards and do no C.O.D. mailing. We make no refunds or exchanges and we don't cancel or revise orders, SO PLEASE BE SURE YOU WANT WHAT YOU ORDER.

IF WE RECEIVE YOUR ORDER IN JULY, YOU'LL HAVE IT BY SEPTEMBER 15. This doesn't necessarily mean you won't get your order until September 15 (chances are you'll get it earlier, perhaps as soon as July), BUT IT DOES MEAN WE CAN'T GUARANTEE DELIVERY BEFORE THEN. And it is impossible for us to respond to inquiries (letter or telephone) about orders until September 30, the date we generally have our files in order again.

Customers living in Pennsylvania must add 6% sales tax to all prices, and residents of all foreign countries must add 10%. (But APO or FPO addressees pay the regular U.S. prices.)

# Introducing APBA's NFL All-Stars Card Set! ALL-TIME TEAMS FOR FOURTEEN NFL CLUBS

This is a 462-player card set, comprised of 33-man squads from each of the 14 teams making up the NFL in 1961 (before large-scale expansion began). EVERY CLUB CONTAINS 33 OF THE VERY BEST PLAYERS IN ITS EXISTENCE. The rosters span the entire history of each team (extending back as far as the 1920's in some cases), as you can see below.

With these cards you can do what is impossible with human beings: you can group players from different eras. You can team Walter Payton with Bronko Nagurski in the Bears' backfield (and have Red Grange and Gale Sayers ready to fill in). You can build a seemingly impenetrable Steelers' defensive line around tackles Joe Greene and Ernie Stautner. You'll have to choose among three outstanding quarterbacks—Frankie Albert, John Brodie and Joe Montana—when you coach the 49ers. Each card is based on the player's best overall season, which is listed on the team envelope.

**PRICE: \$25.00—ALL CARDS COMPUTED FOR NEW FOOTBALL GAME**

This card set is compatible with the boards for the new APBA Pro League Football Game first released in July, 1983. It is a card set only (not a complete game), and it costs \$25.00. (Pennsylvanians must add 6% sales tax, and foreign buyers must add 10%. APO AND FPO addressees pay the regular U.S. prices.) There is an order coupon on the reverse side of this sheet. (But no particular order coupon is required.) Please read the "Sales & Delivery Policies" there, too.
