football cards **\$19.95**

NEW

**1986 Edition NFL
Additional Cards**

(1984 Season:

5/Team—140 Cards Total)

XF84 **\$5.00**

These cards are made for the expanded APBA Pro League Football Game first released in July, 1983. They will not be nearly as accurate with playing boards from games purchased before then, and some new card notations will be meaningless without the newer game boards and instructions.

A free enclosure with these cards will clarify rules some fans have found confusing in the revised game, and will correct the few errors found on the boards and in the instructions in the initial edition of the expanded game. (The same enclosure was included with 1983 season card sets.) Those corrections and clarifications have since been added to the boards and the instructions themselves.

Rosters for these sets are enclosed. Keep them: there won't be additional ones included with your cards. These cards are sold only in complete sets.
