

# Introducing APBA's NFL All-Stars Card Set!

## ALL-TIME TEAMS FOR FOURTEEN NFL CLUBS

This is a 462-player card set, comprised of 33-man squads from each of the 14 teams making up the NFL in 1961 (before large-scale expansion began). EVERY CLUB CONTAINS 33 OF THE VERY BEST PLAYERS IN ITS EXISTENCE. The rosters span the entire history of each team (extending back as far as the 1920's in some cases), as you can see below.

With these cards you can do what is impossible with human beings: you can group players from different eras. You can team Walter Payton with Bronko Nagurski in the Bears' backfield (and have Red Grange and Gale Sayers ready to fill in). You can build a seemingly impenetrable Steelers' defensive line around tackles Joe Greene and Ernie Stautner. You'll have to choose among three outstanding quarterbacks—Frankie Albert, John Brodie and Joe Montana—when you coach the 49ers. Each card is based on the player's best overall season, which is listed on the team envelope.

**PRICE: \$25.00—ALL CARDS COMPUTED FOR NEW FOOTBALL GAME**

This card set is compatible with the boards for the new APBA Pro League Football Game first released in July, 1983. It is a card set only (not a complete game), and it costs \$25.00. (Pennsylvanians must add 6% sales tax, and foreign buyers must add 10%. APO AND FPO addressees pay the regular U.S. prices.) There is an order coupon on the reverse side of this sheet. (But no particular order coupon is required.) Please read the "Sales & Delivery Policies" there, too.
