

# Football Fan:

The following players comprise the 1994 edition of cards, representing the 1992 pro season, for the APBA Pro Football Game. The regulars at each position are listed first, and should be used most frequently.

Realistic use of the players below, along with reasonable offensive and defensive strategies, will provide you with statistical results remarkably similar to those from real life.

We will be glad to answer any questions you have about the playing techniques of APBA Football, but we can't furnish copies or interpretations of actual football rules.

**IMPORTANT: WHEN A RED "K" APPEARS IN THE R-COLUMN AS THE RESULT ON ANY KIND OF RUNNING PLAY FROM SCRIMMAGE OR ON ANY RETURN, ROLL THE DICE AGAIN, REFER TO THE K-COLUMN, AND USE THE NUMBER THERE FOR THE RESULT. WHEN A PLAYER HAS A "K" IN HIS R-COLUMN, HE CAN NEVER BE USED FOR KICKING OR PUNTING.**

The numbers in parentheses beside **Offensive Platoon** and **Defensive Platoon** are the maximum point totals for a team's offense and defense, respectively. V-Ratings are not taken into account here.

## 1992 SEASON

**ATLANTA**
