Special Rules and Procedures for 1929-30:

1. Most teams use 2 forward lines and 2 defensive pairs with an occasional use of a 3rd forward line.
2. The icing rule does not exist; if play result is an icing, then non-icing team gets the puck and gives it to a player of their choice. Both teams may change lines.
3. Teams that are shorthanded do not have the player released from the penalty box if a goal is scored. The player must serve his entire penalty.
4. There is no substitution for coincidental minor and major penalties. Both teams must play short handed.
5. Penalty Shots do not exist, just call a minor penalty instead.
6. If tied after 60 minutes, a 10 minute overtime period is played in its entirety. No sudden death. If still tied after the 10 minutes of overtime, the game is declared a tie.
7. For statistical purposes, misconducts were not recorded in the penalty minute statistics of a player. A gamer that wants to compare realistic penalty statistics should not record the 10 penalty minutes as is done currently.
8. Gamers may play the game as they see fit, but those wanting maximum realism should not employ the pull-the-goalie strategy, as this had not yet been thought of by any coach of that era.
